**LET'S USE OUR HANDS TO CREATE!**

It's Week 11; our final week of HCS' Summer Fun Program! This week, we will use our imaginations to sculpt some amazing art! Kids will tell you that art is double the fun when it's super hands-on and super messy! We hope that you can join us for some messy, artistic fun!

**THANK YOU FOR PARTNERING WITH US!**

As we come to the end of summer, we want to take time to thank you for partnering with us! We praise God for allowing us to provide a safe and engaging environment for each and every child entrusted to us. As the new school year is before us, we want to make sure that you know that Heights Christian Schools will offer on-campus, 5-day a week instruction for children preschool through 8th grade. A virtual/distance learning option is also available! For more information, please visit:
