

HCS MAINTAINS A SAFE & HEALTHY CAMPUS

Welcome to HCS' 2020 Summer Fun Program! This year's program is different than previous years with increased safety guidelines and practices on campus and no scheduled off-campus trips. We have challenged ourselves to think outside of the box and explore activities on campus throughout the summer that will be fun and engaging for students while executed with health and safety protocols at the forefront of our thinking so that parents can have peace of mind. We are confident that we can create an environment on campus that allows the children entrusted to us to build lasting friendships and great memories in a safe, familiar and fun setting. Current and future guidelines and practices are informed by local government and public health officials.

WATER BOTTLES...

Due to health restrictions, all public water fountains/hydration stations are closed. Please supply your child with water to last the entire day. Any water bottles and/or containers sent with your child must be labeled with their name. No glass bottles permitted.

WEEK 3 ACTIVITIES & SCHEDULE: ART FRENZY

Walk the plank, paint and create! Come create with us as we explore the many different types of art – pirate style! In addition to a morning packed full of art, the following activities will take place after lunch:*

**Every morning between 9:00AM and 12:00PM.*
