WEEK #  
**5**  
JULY 6-10, 2020

**SUMMER FUN IN THE SON!**

It's the halfway point of our Summer Fun Program and what a fun, amazing journey it's been! Our youngsters dove into ocean exploration through science, STEM and art! They have rolled up their sleeves to study chemical reactions, conduct science experiments and even cook fun summer snacks! New friendships have been made with memories that will last a lifetime! Most of all, everything we do points these little ones to Jesus! As they learn about the amazing world around them, they are learning about God's incredible love for each of us and His desire for us to love others, too!

*"As I have loved you, love one another."* JOHN 13:34

There are still SIX fun-filled weeks on the horizon with themes ranging from Disney to outer space! It's never too late to sign-up! Visit your [Summer Portal](#) anytime to add days and weeks! AND... don't forget to Tell a Friend!

**SWIMWEAR**

On water play days, during water play girls are to wear a T-shirt over their swimsuits as a cover-up and boys are to wear a T-shirt with their swim trunks.

**WEEK 5 ACTIVITIES & SCHEDULE: TRAVELING THE GLOBE**

*This week is sure to be a blast as we use our imagination and journey to a new continent each day. Once there, we will explore the area and learn more about what it would be like to live there. This week alone, we will be traveling to Antarctica, South America, Asia, Africa and Australia. Along the way, we will be doing some really interesting science experiments, a little bit of STEM engineering and some really incredible art. So if you are in the mood for an adventure, pack your bags and let's go!*

	ACTIVITIES	WHAT YOU NEED*
<b>MONDAY</b> JULY 6	<b>WATER PLAY &amp; FREEZE TREATS</b>	Children should come dressed in their swimsuit under their clothes, and bring an extra t-shirt for a cover-up, towel, water shoes, sunscreen, lunch and water bottle.
