

HEIGHTS CHRISTIAN SCHOOLS

Preschool Philosophy • 2018-2019

Our organization has been in operation for over 35 years. Our preschools were established as a service to the families and children of the community. This service has grown from a sincere love for children and a desire to help them in the proper development and adjustment in our modern world.

Our preschools are equipped and staffed to give the best possible care for children. Our preschools complement the values found in a good home by enabling the child to spend a part of the day in a world that is child-size and planned so that the child learns to associate with other children of the same age in group activity.

The children are surrounded by a Christian atmosphere of respect and loving appreciation for each person and for the wonders of God's world. Each child is encouraged to progress at their own rate toward enriched experiences, self-discipline, and the ability to make choices.

Our aim is to develop the total character of each child by providing an educational experience of lasting value.

*"...and that from childhood
you have known
the sacred writings
which are able to give you
the wisdom that leads to
salvation through faith
which is in Christ Jesus."*
