School/Parent Relationship

Thank you for choosing HCS to partner with your family in the education of your child. It is our honor to come alongside you in this endeavor. We are centered on Christ, focused on all students, and rooted in partnership with parents. Our goal is to provide a learning environment in which all students will know Christ personally, excel academically, think Biblically and positively impact their communities for Christ.

We believe that for our schools to be effective, it is essential that a spirit of cooperation, trust and support exist between the school and the parents. For this reason, parents are asked to become familiar with the mission, vision, philosophy, policies and procedures developed and enforced by Heights Christian Schools.

It is an express condition of enrollment that the students and parents/guardians shall conform themselves to standards of conduct that are consistent with the Christian principles of the school, as determined by the school in its discretion. These principles include, but are not limited to any policies or procedures set forth in any parent/student handbook of the school.

The principles further include, but are not limited to, the following:

- Parents/guardians are expected to work courteously and cooperatively with the school to assist the student in meeting the academic, moral and behavioral expectations of the school.
- Students and parents/guardians may respectfully express their concerns about school operation and its personnel. However, they may not do so in a manner that is discourteous, scandalous, rumor driven, disruptive, threatening, hostile, or divisive.
- These expectations for students and parents/guardians include, but are not limited to, all school-sponsored programs and events (extended day care, athletics, field trips, etc.).

Enrollment at HCS is a privilege, not a right, and suspension or termination of enrollment is at the sole discretion of the HCS administration. If a family becomes non-supportive of the school, its representatives and/or mission, HCS may deem that the necessary relationship between school and parents no longer exists and the family will be required to withdraw their child from HCS. The school reserves the right to determine, in its discretion, when conduct is of such a severe nature as to warrant immediate action without warning and/or without an intermediate step short of withdrawal.
