IMPORTANT  
MESSAGE**

## **Disaster Kit for EVERY Heights Student!** **(INFANTS - 8TH GRADE)**

For the well-being of the children in our care, we are asking every Heights student to bring a disaster kit of emergency food and water. This will be stored at the school for their use should there be a situation that requires them to stay on campus until their family comes for them.

You may make your own kit or, for your convenience, we have a resource where you can purchase one (see below). You may bring it with you to meet the teacher or the first day of school. And please note...

**YOUR STUDENT MUST HAVE THIS  
FOR THE FIRST DAY OF SCHOOL!**

*If you have any  
questions, contact  
your School Office.*
