

A special thank you to so many that joined with us in praying for the students, families and staff that would have been displaced by the sudden closing of Whittier Christian Schools, Maybrook campus. As we prayed and sought God, He heard our prayers and made a way to maintain a Christian school option on the campus! We are pleased to announce that Heights Christian Schools is now operating the preschool and elementary school (K-6) on the Maybrook campus; Heights Christian Schools, Whittier Campus! We praise God for entrusting this amazing ministry opportunity to us. If you are interested in enrollment information, please contact the School Office at (562)947-3757.
